

Rochdale and District Mind is a thriving third sector organisation delivering local services to individuals who experience mental distress.

We are seeking to recruit a committed dynamic individual to manage our Comple@t project.

### **Rochdale and District Mind Comple@t Project**

#### **Compleat Project Manager Ref CPM1**

Rochdale and District Mind has two successful Café and Internet projects, a Coffee Bar and a horticultural project providing training and supported work for users of mental health services in Rochdale Borough who wish to move towards mainstream employment and education.

We now need to recruit an experienced and dynamic manager to lead the expansion of the Café businesses while maintaining the ethos of Rochdale and District Mind. This will be a challenging but rewarding role working on a project which has and will continue to make a real difference to the lives of Mental Health Service Users in Rochdale.
