

MDF

The BiPolar Organisation

Summary of Intervention / Service

Network of self help groups in England and Wales for people with manic depression/bipolar, their relatives and friends, a quarterly journal Pendulum, publications, Self Management training programme, employment advice, travel ins scheme, 24 hr Legal Advice, life ass scheme, and web -based message boards.

We aim to educate the public and professionals about manic depression/bipolar and campaign for greater research into methods of treatment.
